Privacy: Ladner Yacht Club uses and retains the above information for processing this Membership Application. This information will be available to the Ladner Yacht Club membership for the purpose of evaluating the suitability of the applicant for membership.

Note: Applicants can apply for membership once their vessel is moored in the Ladner Yacht Club Marina. However, applicants' vessel must have been in the Ladner Yacht Club Marina for a minimum of three (3) years before being considered for membership. This is so the LYC Membership can get to know the applicant and assess the suitability of applicant for membership. Applicants are put on a chronological list for consideration when a membership is available based on the date of this application.

Additional information required on back

Ladner Yacht Club's financial model is dependent on the volunteer work contributed by the membership. In order to keep membership dues and moorage rates as low as possible, the club is reliant on ongoing member investment of volunteer time and effort. Participation in club affairs is both beneficial for a stronger club and more personally rewarding experience for the member. Volunteering is an expected requirement as a member of Ladner Yacht Club. By applying for membership and your signature on the cover page, please understand, you are agreeing and willing to be an active volunteer as part of membership in the Ladner Yacht Club.
